WORK EXPERIENCE

Wedding Photographer

Elegant Bride Magazine

06/2020 - Present

Achievements

- Produced over 200 premium-quality photographs showcasing diverse wedding styles, trends, and venues for editorial features.
- Created unique bridal portraits for over 50 brides, adding depth to the magazine's storytelling and visual appeal.
- Selected and post-processed standout photos for digital and print publications, contributing to a 20% increase in magazine subscriptions over one year.
- Consistently met tight editorial deadlines, delivering meticulously edited images one week ahead of each monthly issue's closing date.
- Collaborated closely with magazine editors and designers to align photography with editorial themes, elevating the overall reader experience.

Event Photographer

Freelance

04/2018 - 05/2020

Achievements

- Conducted pre-event consultations to understand clients' photography needs and explanations and negotiated pricing.
- Achieved a 5-star rating on multiple freelancer platforms for two consecutive years, leading to a steady 20% increase in bookings.
- Captured a variety of shots during events, such as candid, posed photos, and essential moments like speeches and ceremonies.
- Performed initial sorting and editing of photos shortly after each event for quick client previews using Adobe Lightroom.

PORTFOLIO

Portfolio

Tiffany-Jones-Photography.com

Achievements

- Wedding Photography - Captured both candid and posed images using natural and artificial lighting setups for over 50+ high-budget weddings and handled post-processing through Adobe Lightroom and Photoshop.
- Corporate Photography - Shot over 17+ corporate events including product launches, charity galas, and award nominations, primarily using artificial light and under crowded conditions.
- Other Event Photography - Took hundreds of photos at various private events, including engagements, baby showers, anniversaries, and graduations. Notably achieved excellent candid group shots using natural lighting.
